

## WHIA Online Wound Education Program

### Module Navigation

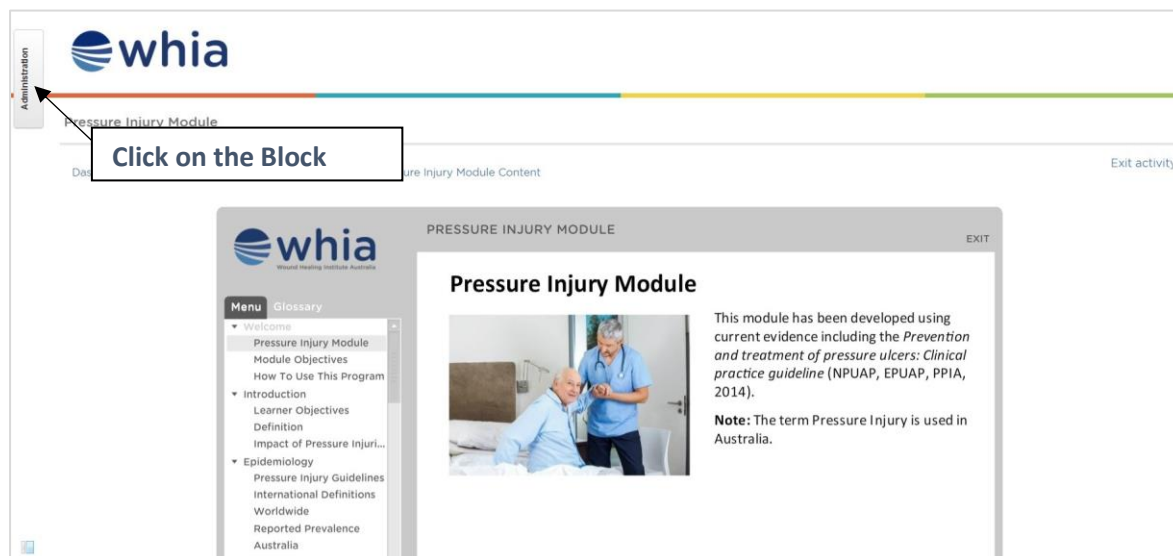

The following document explains how to best to navigate your way around the WHIA Online Wound Education Program.

#### To Begin

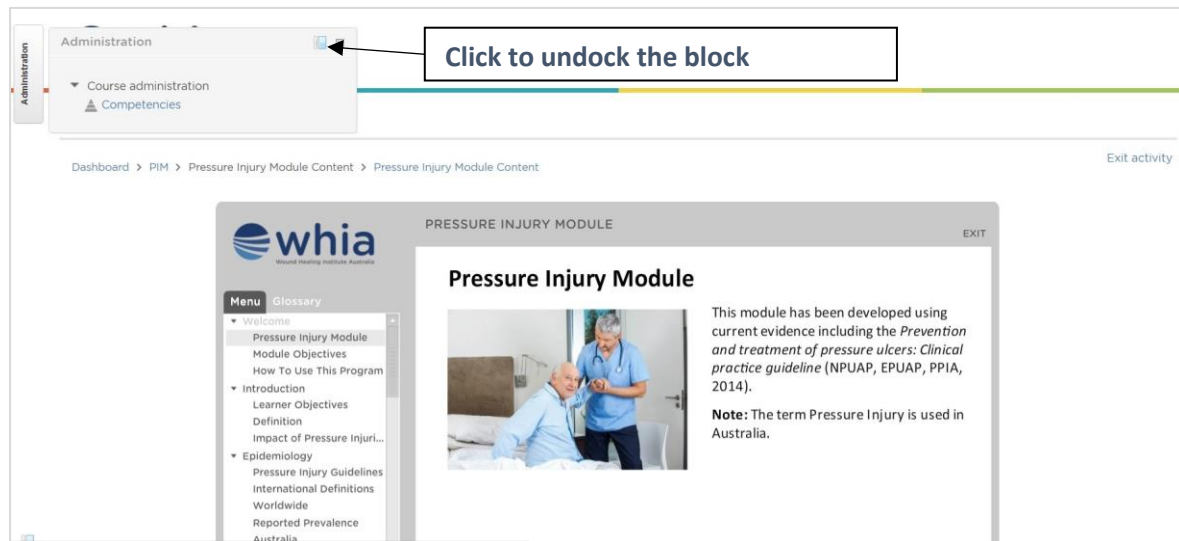

The content of each module is contained within a SCORM package. The screen size for the content slides differs depending on the browser you using and the device you are viewing the modules on. If you find the screen is not big enough to view the entire slide from left to right, you can dock any 'blocks' that appear on the left of your screen. To dock a block, click on the box in the top right corner of that block.

To undock the block, click on the tab on the left.

Then click on the box next to the small X

## Navigating through the modules

To navigate your way through the modules, use the **previous** and **next** buttons at the bottom right hand corner. Some slides may also contain a **'back'** button if you have accessed additional information on a second layer. Click on this to return to the original slide.

Use the **EXIT** button at the top right corner to close the module down. This will ensure your work is saved and the module will remember where you left off when you next log in.

You can also move between sections of the module via the **menu** on the left-hand side.

## Navigation on a Tablet

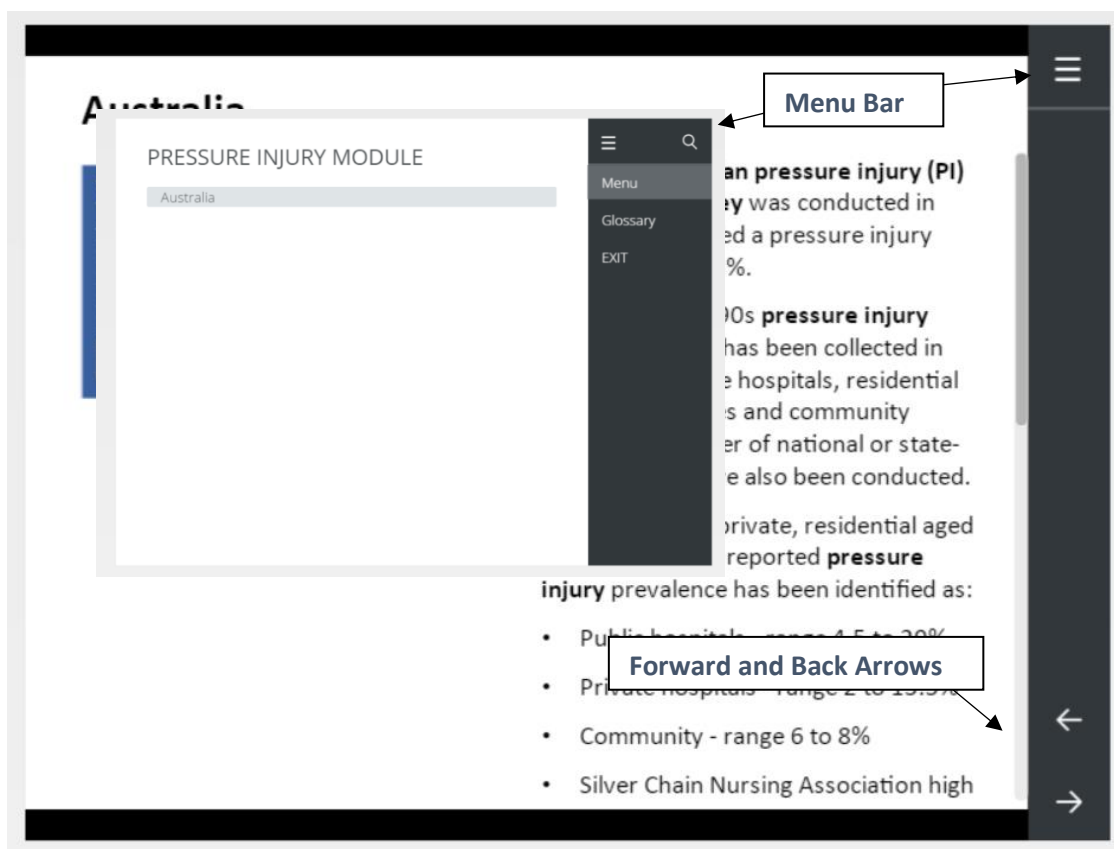

To navigate your way through the module on a tablet use the forward and back **arrows** at the bottom right hand corner for the **NEXT** and **PREVIOUS** slide.

To access the **menu** bar, click on the three horizontal lines at the top right corner.

Use the **EXIT** button within the menu bar to close the module down. This will ensure the module remembers where you left off when you next log in.

You can also move between sections of the module by clicking on **MENU** within the menu bar.

Use the **scroll bar** to access all text on a slide.

## Navigating on a Smart Phone

To navigate your way through the module on a Smart Phone, use the forward and back **arrows** at the right-hand side for the NEXT and PREVIOUS slide.

To access the **menu bar**, click on the three horizontal lines at the top right corner.

Use the EXIT button within the menu bar to close the module down. This will ensure the module remembers where you left off when you next log in.

You can also move between sections of the module by clicking on MENU within the menu bar.

Use the scroll bar to access all text on a slide.
